

5 Things To Know About The 51-Year-Old Doctor Spotted With Shawn Mendes

Posted By: [Chukwudi Onyewuchion](#): January 17, 2023In: [Features](#), [News](#)No Comments

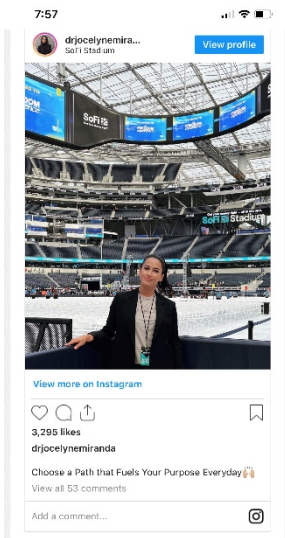

Although unconfirmed, Shawn Mendes' fans believe he is off the market. The Canadian singer was seen with a lady more than once last year. The 51-Year-old doctor spotted with Shawn Mendes is Jocelyne Miranda. Shawn Mendes and the doctor were recently spotted together at a farmer's market in West Hollywood, where the singer's home is.

Following a daytime outing around the same area, pictures showed the pair holding smoothies. Later that day, the paparazzi spotted Jocelyne entering the singer's home. Before now, they were seen out in July 2022 on what seemed like a lunch date. Shawn and the doctor appear to be very close, as they both have known each other for a long time. Due to the 24-year-old *Senorita* star's interest in Jocelyn, who he might already be dating, his fans have been interested in knowing more about her. Find more details about Jocelyn below.

Jocelyn Has Over 20 Year Medical Experience

According to the biography on her website, Jocelyne has over 20 years of medical expertise. She spends much time in London and other places worldwide, even though her practice is in Los Angeles. Jocelyn specializes in Spine and Extremity Adjustments and uses a bio-mechanical examination and Joint and Soft Tissue Manipulation techniques for her treatments. The experienced doctor is proud of her profession and the path she has chosen. On [her Instagram page](#) on July 25, 2021, she inspired her followers by asking them to choose a path that fuels their daily purpose.

She's A Celebrity Doctor

Jocelyn has proven she is a well-seasoned celebrity doctor, as musicians and athletes have benefited greatly from her specialty in medicine. According to her bio, she treats singers with DNS rehabilitation methods using Diaphragm/Breathing techniques and CranioSacral Therapy. Unsurprisingly, she has worked with numerous celebrities. Jocelyn has worked as the Big Three Summer Basketball League club doctor and has seen patients like Blake Griffin. Major performers like Justin Bieber, Justin Timberlake, and The Chainsmokers are among those she lists as her celebrity clients. On October 20, 2022, she posted a selfie of herself with Shawn and musician Omar Apollo on Instagram.

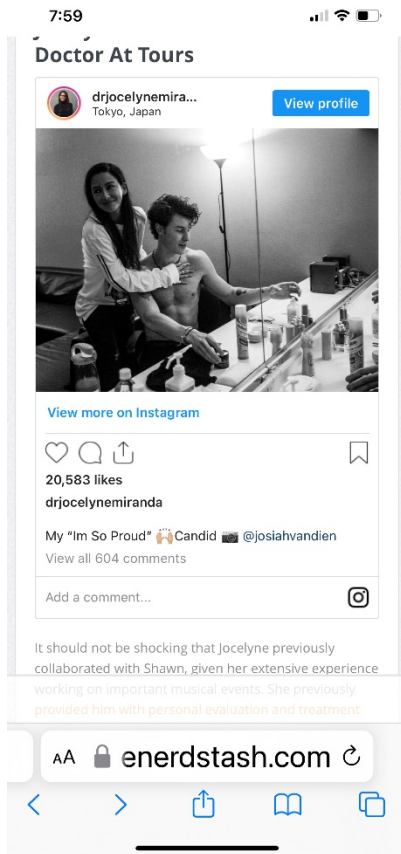

Music is Great 🙌

Jocelyne Has Worked As Shawn's Doctor At Tours

It should not be shocking that Jocelyne previously collaborated with Shawn, given her extensive experience working on important musical events. She previously provided him with personal evaluation and treatment when he was on tour and worked with him for significant occasions like the AMAs, VMAs, and *Saturday Night Live*. On her Instagram, she has posted numerous pictures from their time together on tour, including posts wishing Shawn a happy birthday and some backstage snaps. She uploaded a picture of herself cuddling Shawn in October 2019 and a lovely note for him.

She Produces A Pain Relieving Oil

Along with offering specialized services, Jocelyne also sells cannabis-based oil for pain relief. She lists substances like menthol, bergamot oil, peppermint oil, eucalyptus oil, Boswellia, turmeric, arnica, and cannabis. According to what she has on her website, her product is for anyone who wishes to lead an active, pain-free lifestyle. The organic product has an aromatic component with the advantages of hemp extracts on the website.

Jocelyne Travels A Lot And Loves It

Jocelyne's job requires her to travel the globe, and she seems to enjoy the different destinations she has to visit with her clients. She frequently uploads pictures of herself on Instagram in various locations where she is either hiking in Zions National Park or swimming in Tokyo. She once posted a captivating image on Instagram on September 19, 2022, from her time supporting Lady Gaga on her Chromatica Ball tour.

Jocelyne is an accomplished lady who has done well for herself. Shawn Mendes and doctor Jocelyne regardless of their age difference, may just be a good match for each other.
